TURPENTINE

The illustration shows a character with a large nose and a blue shirt looking up at a large, light blue can labeled "TURPENTINE". The can is tilted, and a green, viscous substance is dripping from its spout. The background is a dark, textured surface.

Object

Poison • Liquid • Metal

Archive this Object and target Character at the same Location may be banished.

Three Little Pigs - 1933

ATTEMPTED DESCRIPTION

0

EVENT

If an Evil Prime Character is at a Location adjacent to a Stone Home Location, roll two standard six-sided dice. If the result is ≥ 9 the Character may move to the Location for free regardless of any movement restrictions.

Third Little Page - 1953

1

BLUE IN THE FACE

EFFECT

If the movement of an Evil Character has been determined by the roll of any dice, stop their movement.

Third Little Pig - 1933

OPEN CHIMNEY

EFFECT

Evil Characters may enter target Location regardless of any movement restrictions.

Third Little Pig - 1933

A page from a children's book titled "BOLLING CAULDRON". The page features a large illustration of a black cauldron with a silver lid, sitting on a brick hearth with a fire. A small, mischievous-looking character is peeking over the top of the cauldron. The page is numbered "2" in a blue diamond shape. The text "Object" is written in a decorative font, followed by "Kitchen • Metal • Water • Fire" and "Food and Poisons may be played to the same Location for fire." The page is part of a book titled "Three Little Pigs - 1933".

HOT AND PAINFUL PATOOTIE

2

EFFECT

Banish target Character at the same Location as a Poison Water Object.
